# Sovereign Computer Training, now on Crewe Business Park

---

Sovereign Computer training have many years experience in training support and help desk personnel. Now based in the Crewe business park, with easy access to motorway and rail networks.

## TRAINING FOCUSED ON YOUR REQUIREMENTS

At Sovereign we understand that training should be tailored to suit a particular Customer's needs. Too often, off- the- shelf courses waste a delegate's time by giving superfluous information and miss out subjects that are of particular interest. Sovereign will tailor courses to fit a particular set of objectives and you can pick which modules to include or drop from a course.
